## PAVÃO VINHO VERDE

---

### *Winemaking Notes*

Light to medium gold in color, this ever so slightly sparkling wine has aromas of apple and pear, with hints of cider and almonds. The initial sensation on the palate is one of harmony, but then diverges into what can only be described as a sweet tartness. The finish is surprisingly lengthy as a mild minerality appears.

### *Food Pairing*

Though Vinho Verdes (“green wines”) are typically preferred as standalone aperitifs, or simply while relaxing, the Pavão Vinho Verde is enjoyed a bit more when accompanied by food. While versatile in its pairings, it matches well with seafood, poultry, and salads.
